Brief introduction

The South Eastern University of Sri Lanka (SEUSL) was established in 1995. The main campus, which strategically located along the coastal belt of Oluvil, extends over 182.48 acres of green pasture. The Faculty of Applied Sciences is located in Sammanthurai at an extent of 6.71 acres, whereas the Faculty of Technology is temporarily housed at the Mahapola Center, Oluvil. The Malwaththa farm (extent of 38 acres), which comes under the purview of the Faculty of Technology, is used to conducting practical classes on Agricultural Technology. The University has recorded a tremendous progress in the higher education sector.

The South Eastern University of Sri Lanka has the focus on achieving academic excellence and producing employable graduates to cater to the demands of both private and public sectors in Sri Lanka and abroad. It endeavors to enhance multidisciplinary research culture, serving the needs of different stakeholders and the community. In addition, the University is greatly contributing to the peace and harmony of the region. Presently, SEUSL has six faculties with 4331 undergraduates, 322 postgraduates, 14 Postgraduate Diploma students including six undergraduate and two postgraduate foreign students. The University has 587 permanent staff which includes 158 academic staff.

The SEUSL is devoted to earn its name and make it an internationally renowned university with its excellent academic caliber.

A large number of internationally reputed experts, prominent academics from various parts of the world including India, Malaysia, Pakistan, Bangladesh, United Kingdom and Qatar were present.

Achievements:

- The strategic plan for the year 2014-2018 which was developed was implemented in the year 2017 accordingly.
- A research culture has been established by the establishment and facilitation of the Research & Innovation Unit. The 7th International symposium was conducted successfully with the participation of considerable number of foreign participants, and the number of academic research done and published by the staff has increased dramatically. Except the new faculties, other four faculties conducted their annual research symposia continuously.
- FAC has submitted a proposal to UGC to commence a PhD programme in Tamil and awaiting approval.
- Hostel facilities are developed and almost 90% of the students are given with accommodation within the hostel campus.
- Student enrollment has been increased by 68.06 % in 2017 as compared to the Student enrollment in 2013.
- The 11th General Convocation of the South Eastern University of Sri Lanka was held on 19th February at Bandaranaike Memorial International Conference Hall. Altogether 935 graduands were conferred with Degrees at this Convocation by the Chancellor Prof. Achchi Mohamed Ishaq which was held in two sessions.
- Approval for the Postgraduate Diploma programme in Applied Statistics was obtained by the Faculty of Applied Sciences in 2017.
- A scheme to provide research grants are established with more fund ceilings per academic staff member per year and academics were encouraged to do research with these grants and with grants obtained from other donors.
- A scheme to fund the research dissemination is introduced and academic staff members are utilizing these funds to present papers in overseas conferences and publish papers in Journals. This facility was extended to academic staff from all the faculties irrespective to faculties generating funds.

- Could recruit many well qualified academics even with PhDs (2 PhD holders were recruited in 2017 and 5 PhD holders were recruited in 2016), administrative staff and non-academic staff.
- The University has developed sports facilities including a modern athletic ground, football and rugby ground, volleyball and basketball courts, a softball cricket ground, a gymnasium, indoor badminton court, taekwondo and karate facilities, etc. and action is being taken to construct a hardball cricket ground. - In order to enhance research culture among academic staff, a Vice Chancellor's award scheme was introduced.
- With the objective of enhancing capacity of marketing and business among the students community, Business Fair was organized.

Failures and Justification

- i. Could not recruit Chair Professors even though applications were called. No one applied for the posts. The University is taking continuous effort to recruit chair professors.
- ii. Could not recruit permanent doctors to the health center – Doctors are not applying to join the university service as they have better opportunities at a higher salary under the Ministry of Health. Anyhow, the medical center is run with contract basis visiting doctors.
- iii. Could not recruit a project manager as engineers with relevant qualification and experience are not willing to serve the University at a low salary.
- iv. Severe sea erosion is taking place and the University has already lost a big swath of land – The University does not have capacity to prevent the sea erosion. The University has informed this to the relevant authority several times but no remedial action is instituted yet.
- v. The university is facing the threat of floods during the rainy season due to overflowing of the Gal Oya. – The University could not get the flood protection bund established.

Future Plans

- i. Reviewing the academic programmes by UGC/QA Unit (Management Degrees and Arts Degrees).
- ii. Qualifying new linkage with other international partners for collaborative research.
- iii. Preparations and Method assessment for institutional review.
- iv. To stimulate staff to make of University's grants and other competitive grants
- v. Uploading the research articles of staff in popular research networks, such as: Research Gate, Google Scholar, Academia, etc. to impact on University's ranking
- vi. To conduct Employability Survey to inform our teaching learning toward improved employability
- vii. To introduce new special degree programme in Botany
- viii. To expedite the completion of Auditorium
- ix. To codify comprehensively the University's policies and regulations with uploads.

Annual Accounts 2017**CERTIFICATE OF THE ACCOUNTING OFFICER ON
ACCOUNTS FOR THE YEAR 2017**

The Final Statement of Accounts of the South Eastern University of Sri Lanka for the Financial Year ended 31st December 2017 has been prepared in the form and manner specified by the University Grants Commission in terms of section 106 and 107 of the University Act No. 16 of 1978 and in terms of the Finance Act No. 38 of 1971 and has been rendered to the Auditor General together with the notes and schedules referred to in the Income and Expenditure Accounts and the Balance sheet.

Financial rules and procedures prescribed by the University Grants Commission have been complied with and the systems of control have been maintained as far as practicable to ensure propriety of transactions and efficiency in expenditure.

To the best of my knowledge, the statement in respect of the year 2017 has been prepared satisfactorily and exhibits a true and fair view of the financial position of the University.

The statement of financial Position, statement of financial performance, statement of changes in equity and the statement of cash flows together with the accounting policies and notes have been prepared in compliance with the Sri Lanka Public Sector Accounting Standards (SLPSAS) issued by the Institute of Chartered Accounts of Sri Lanka and the requirements of the Universities Act No 16 of 1978 and subsequent amendments thereto. The financial Statements comprise the financial statements of the University as at 31st December 2017.

2.2. Basis of Measurement

The financial statements of SEUSL have been prepared on an accrual basis and under the historical cost convention unless stated otherwise.

2.3. Functional and Presentation Currency

The financial statements are presented in Sri Lankan Rupees (SLR), which is the functional currency and presentation currency and all values are rounded to the nearest rupees except when otherwise.

2.4. Comparative Information

The comparative figures have been re-arranged where necessary to conform to the presentation in the current year.

2.5. Use of Estimates and Judgments

The presentation and preparation of financial statements in conformity with SLPSASs requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates and judgmental discussions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects on that period or in the period of the revision and future periods if the revision affects both current and future periods.

18. Report of the Auditor General

The Vice-Chancellor,
South Eastern University of Sri Lanka

Report of the Auditor General on the Financial Statements of the South Eastern University of Sri Lanka for the year ended 31 December 2017 in terms of Section 108(1) of the Universities Act, No. 16 of 1978.

The audit of financial statements of the South Eastern University of Sri Lanka ("the University") for the year ended 31 December 2017 comprising the statement of financial position as at 31 December 2017 and the statement of financial performance, statement of changes in net assets and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the University in terms of Section 108 (1) of the Universities Act appear in this report.

1.2 Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Standards of Supreme Audit Institutions (ISSAI 1000-1810). Those Auditing Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Section 111 of the Universities Act, No 16 of 1978 gives discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

1.4 Basis for Qualified Opinion

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2. Financial Statements

2.1 Qualified Opinion

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements given a true and fair view of the financial position of the South Eastern University of Sri Lanka as at 31 December 2017 and its financial performance and cash flows for the year then ended in accordance with the Sri Lanka Public Sector Accounting Standards.

2.2. Comments on Financial Statements

2.2.1 Consolidated Financial Statements

The Centre for External Degrees and Professional Learning (CEDPL), Postgraduate Unit of Faculty of Arts and Culture and Postgraduate Unit of Faculty of Management and Commerce of the University had earned a net income of Rs.10,692,846 by conducting external degree and master degree programmes during the year under review and generated total assets of Rs. 125,004,717 as at the end the year under review. However, the transactions of those Units had not been incorporated with the financial statements of the

University. Hence, the accumulated fund and total assets of the University as at the end of the year under review had been understated by Rs.125,004,717.

2.2.2 Compliance with Sri Lanka Public Sector Accounting Standards (SLPSAS)

The following non-compliances were observed.

- (a) Out of 16 legal cases initiated against the University by outsiders since year 2005, four cases were pending in the Courts and University Services Appeal Board as at 08 August 2018. However, the proper disclosures thereon had not been made in the financial statements as per paragraph 129(d) (i) of SLPSAS 01.
- (b) The fully depreciated assets costing Rs. 101,385,503 procured during the previous years are being continuously used by the University without taking action to reassess the useful economical lifetime of such assets and accounted accordingly. Further, the estimated error thereon had not been revised in terms of SLPSAS 03.

2.2.3 Accounting Deficiencies

The following accounting deficiencies were observed.

- (a) Action had not been taken to account the amortization over the useful life of the assets acquired by utilizing Government capital grants even though, the assets acquired by utilizing those grants had been depreciated up to the amount of Rs.1,500.74 million as at the end of the year under review.
- (b) Depreciation for the years from 2012 to 2016 had not been provided for the furniture and equipment valued at Rs.65,568,093 which received from the Higher Education for the Twenty First Century (HETC) Project. As a result, the net assets and the accumulated fund as at 31 December 2017 had been overstated by Rs. 22,421,768.
- (c) Capital works carried out and completed by the HETC Project on behalf of the University to the value of Rs. 4,067,868 in the year 2016 had not been brought to the accounts even up to 31 December 2017.
- (d) One hundred and thirty one stock items to the value of Rs. 1,430,552 as at the end of the year under review had been treated as recurrent expenditure instead of being shown under current assets.

2.2.4 Accounts Receivable

Loan balances aggregating Rs. 293,734 receivable from 02 academic staff and 02 non-academic staff who had vacated their posts and a sum of Rs. 3,735,746 recoverable from 03 Lecturers and a Library Assistant due to the breach of agreements for foreign study had remained outstanding for a period ranging from 02 to 18 years without being recovered. Further, the impairment on those balances had not been made.

2.2.5 Non - compliance with Laws, Rules and Regulations

The following instances of non-compliance were observed in audit.

Reference to Laws, Rules and Regulations	Non - compliance
(a) Section 8J(1), 8K(2) of the Urban Development Authority Act, No. 41 of 1978 as amended by Act, No. 4 of 1982.	Permits and Certificate of Conformity for 21 buildings constructed in the premises of the University had not been obtained.
(b) Section 16:5:3 of the Chapter VI of the Establishment Code of the University Grants Commission and the Higher Educational Institutions as amended by Circular No. 720 of 17 October 1997.	Covering up duties of a vacant post should be limited to a period of 03 months. However, an Instructor in Physical Education had been appointed to attend the duties of Director/ Physical Education since 01 July 2016 and the allowance equivalent to 10 per cent of basic salary of Director / Physical Education is being paid up to the date of this report.
(c) Circular Letters of the University Grants Commission.	
(i) No. 04/2013 dated 10 April 2013	The Annual Boards of Survey for the year under review should be conducted and the report thereon should have been furnished to the Auditor General on or before 17 March 2018. However, such report had not been furnished to audit even up to 08 August 2018.

- (ii) No. 10/2017 dated 10 July 2017
- All staff should be entered their arrivals and departures in the finger print scanner. However, the academic staff had refused to enter their arrivals and departures in the finger scanners and as such there was no satisfactory control system in that connection.
- (iii) No. 03/1996 dated 06 February 1996
- According to the newspaper advertisement published on 11 June 2017 and 05 July 2017 for the recruitment of Bursar and Director/ Physical Education, the age limit for the applicants had been determined as 45 years contrary to the provisions in the Circular. As a result, the opportunity for recruiting competent and prompt persons for the above posts had been lost to the University.
- (d) Public Finance Circular No.03/2015 dated 14 July 2015
- Advances totaling Rs. 4,064,580 had been granted to 13 Officers in 22 instances exceeding the maximum limit of the ad-hoc advance of Rs.100,000.
- Whatever amount requested by the staff as advance had been granted by the University without ascertaining the nature and reasonableness of the amount requested. As a result, more than 50 per cent of the advances aggregating Rs.479,084 paid in 16 instances had been settled by cash. This practice will provide room for misappropriating the public funds.
- (e) Treasury Circular No. IAI/2002/02 dated 28 November 2002.
- A Register of Fixed Assets had not been maintained for computers and computer accessories.

3. Financial Review

3.1 Financial Results

According to the financial statements presented, the operations of the University during the year under review had resulted in a net deficit of Rs. 442,000,801 as compared with the corresponding net deficit of Rs. 253,157,673 for the preceding year, thus showing a deterioration of Rs. 188,843,128 in the financial results for the year under review. Increase of depreciation and personal emoluments by Rs. 133,856,772 and Rs. 102,55,276 respectively were the main reasons attributed for this deterioration.

In analyzing the financial results for the year under review and four preceding years, the deficit had continuously increased from Rs. 71,860,462 in the year 2013 to Rs.442,000,801 in the year 2017. However, after taking in to account the personal emoluments and the depreciation aggregating Rs.1,097,853,391, the value addition of the University for the year under review was Rs. 655,852,590 and it was Rs.608,283,670 in the previous year, thus showing an improvement of Rs. 47,568,920 in the value addition as compared with the previous year.

4. Operating Review

4.1 Performance

4.1.1 Achievement of Targets

The following observations are made on the achievement of targets set out in the Strategic Plan prepared for the period of 2014 - 2018.

- (a) The University had not reported the progress with regard to 14 Key Performance Indicators (KPI) out of 45 KPIs and the periodical review had not been carried out by the University during the year under review.
- (b) According to the progress submitted to audit for the year under review, the University had only able to achieve around 50 per cent of the expected targets with regard to 31 KPIs set out in the Strategic Plan.
- (c) According to the webometric ranking, the University had able to obtain only 8,510th place in the year 2017 even though it was targeted to achieve the place below the rank of 5,000 as at the end of the year 2017. Further, the University has been ranked at 8,437th place in the previous year and thus showing that the ranking of the University had gone down as compared with the previous year.

4.1.2 Degree Courses

The number of students enrolled for each Faculty during the last three years is shown below.

Faculties	Number of Students Enrolled		
	2017	2016	2015
Applied Science (FAS)	245	228	329
Arts and Culture (FAC)	326	306	239
Management and Commerce (FMC)	362	334	369
Islamic and Arabic Language (FIA)	435	480	362
Engineering (FE)	88	092	101
Faculty of Technology (FOT)	150	-	-
Total	1606	1,440	1,400

The following observations are made in this connection.

- Enrolment of students to the FAC and FIA during the year under review as compared with the year 2015 had increased by 36 per cent and 20 per cent respectively whereas, enrolment of students to the FAS, FMC and FE during the year under review as compared with the year 2015 had decreased by 26 per cent, 2 per cent and 13 per cent respectively. The Faculty of Technology had newly established during the year under review.
- Enrolment of Students for all Faculties during the year under review had increased by 15 per cent as compared with the year 2015.

4.2 Operating Inefficiencies

The following observations are made.

(a) Conducting Lectures at the Department of Islamic Studies

The following observations were made.

- At the audit test check carried out with regard to 14 subjects of Semester II of Academic Year 2015/2016 at the Department of Islamic Studies, it was revealed that, no lecture had been conducted by the Lecturers-in-charge for 7 subjects and lecture hours ranging from 3 hours to 16 hours had been completed by the Lecturers-in-charge for remained 7 Subjects. Hence, most of lectures had been

conducted by Temporary Assistant Lecturers. It was further observed that 112 lecture hours had not been conducted by the Lecturers with regard to above 14 subjects.

- (ii) Temporary Assistant Lecturers had been provided the letters of appointment with the condition of undertaking at least 20 hours of teaching / practical per week. However, the University had not introduced a proper mechanism to prove whether those Lecturers had undertaken 20 hours of teaching / practical per week.

(b) Commencement of External Degree Programme

The Centre for External Degree and Professional Learning (CEDPL) of the University had collected a sum of Rs. 41,680,000 from 1,042 students at a rate of Rs.40,000 per student for conducting the first year external degree programme in the year 2017. The following observations were made in this regard.

- (i) The degree programme had not been commenced even up to 08 August 2018. As a result, the students were badly affected due to delay in commencement of the degree programme.
- (ii) The approval of the Finance Committee and Council of the University for the collection of fee from the students had not been obtained in terms of University Grants Commission Circular No. 01/2016 dated 01 January 2016.

(c) Releasing Results of the Examinations of External Degree Programmes

The results of the examinations conducted during the year under review for the Semester II of first, second and third years external degree programmes of BA, BBA and B.Com had been released after a delay of 5 to 11 months. In the meantime, the results of the examination conducted in November 2016 for the Semester I of first year external degree programme of BA had not been released for over 20 months. As a result, the degree programme had delayed over one and half years.

(d) Establishment of Laboratory for the Faculty of Applied Sciences

The construction works of a Laboratory Block for the Faculty of Applied Science had been commenced on 31 October 2011 and completed on 15 February 2014 with the cost of Rs.84,156,395. Further, a sum of Rs. 1,856,467 had been spent for the

electrical fittings such as Ceiling Fans and Bulbs in year 2016. However, the Laboratory Block had not been utilized for the intended purpose even up to 10 July 2018 and allowed to be idle for over 2 years due to the delays in the procurement of necessary laboratory equipment. As a result, the students had been faced difficulties in their practical and research projects due to the insufficient laboratory space and equipment.

(e) Working Capital Management

The CEDPL of the University had kept considerable amount of money in the Bank Current Account at the end of each month of the year under review ranging from Rs. 1 million to Rs. 44 million without investing the excess fund in proper investments sources. It was further observed that the University could have been earned an income approximately Rs.2,000,000 if this money was invested in a fixed deposit.

4.4 Transactions of Contentious Nature

A lecturer appointed on 01 October 2010 to the Department of Accountancy and Finance of the University has taken medical leave since 27 June 2016 for 3 month periods due to his serious illness and he was reported to the duty on 28 September 2016 and the University had allowed to conduct lecture since that date without obtaining a medical fitness report from a recognized medical officer. Although he was not conducted any lecture since that date, salaries amounting to Rs.3,037,050 had been paid to him for 21 months.

4.3 Idle and Under-utilized Assets

The following observations are made.

- (a) Five fingerprint machines purchased on 10 December 2014 at a total cost of Rs.308,000 for the use of students and lecturers of the Faculty of Islamic Studies and Arabic Languages had not been used for the intended purposes even up to 08 August 2018.
- (b) Hundred and four tyres and 27 tubes purchased during the period of 2008 to 2017 at a cost of Rs.1,932,646 had been kept idle in the store without being utilized for the intended purpose due to various issues such as unnecessary purchasing, mismatched size with the requirements etc.

- (c) The road mark paints purchased at a cost of Rs. 148,227 in year 2016 had been lying idle in the store for over 22 months due to not considering the items already included in the BOQ of the contract awarded for the road works.

4.4 Management Weaknesses

One hundred and thirty one items worth Rs. Rs. 1,430,552 and over 100 items which value not made available had been kept in the Maintenance Store for over 2 years without utilizing for the intended purposes. Further, those items had not been included in the register due to non-maintenance of stock register in the store. Hence, the possibility for misplace these items could not be ruled-out in audit.

4.5 Human Resources Management

The following observations are made.

- (a) Hundred and forty two vacancies out of 382 approved cadre for Academic and library staff were existed as at the end of the year under review without being take proper action.
- (b) The vacancy for the post of Director/ Physical Education had not been filled over 17 years.

5. Achievement of Sustainable Development Goals (SDG)

Every public institution should act in compliance with the United Nations Sustainable Development Agenda for the year 2030 with respect to the year under review according to the Sri Lanka Sustainable Development Act, No. 19 of 2017. The following observations are made in this regard.

- (a) Due to failure of the University is being aware of the said Agenda for the year 2030, action had not been taken to identify the sustainable development goals and targets relating to the activities thereof, along with the milestones in respect of achieving those targets, and the indicators for evaluating the achievement of such targets.
- (b) Even though the existence of accurate statistical data is compulsory for evaluating the performance of a certain activity, it was observed that the University had not taken action to maintain an accurate collection of data in view of evaluating the achievement of sustainable development goals. It was further observed that the reasons such as, lack of non-availability of trained staff on behalf of the SDG had attributed thereto.

6. Accountability and Good Governance

6.1 Procurement and Contract Process

6.1.1 Procurements Plan

Although a Procurement Plan had been prepared for the year under review, an adequate attention had not been paid on the time schedule in the procurement plan. As a result, an amount aggregating Rs.130,457,247 or 17 per cent of total capital expenditure had been spent for procurement of capital expenditure on 28 December 2017.

6.1.2 Procurement of Multimedia Projectors

Ten ultra-short throw multimedia projectors with installations of cable and brackets at a cost of Rs. 2,737,500 and 28 multimedia projectors with brackets to the cost of Rs.1,946,000 had been procured during the year 2017. The following observations are made in this regard.

- (a) The amount paid for procurement of 28 multimedia projectors had been included the cost for supply, installations and commissioning of multimedia projectors with brackets. However, the supplier had not completed the installation and commissioning even up to 12 July 2018.
- (b) Six multimedia projectors including an Ultra Short Throw had not been utilized for the intended purpose and 10 multimedia projectors had been used without installed by Wall Mount Brackets.
- (c) The payment of Rs.287,500 had been recommended by TEC for installations of Wall Mounting Brackets and Cables and other accessories even though the extended cables connection from the Projector to PC Desk relating to the HDMI, USB, Audio in, Audio out, VGA out, RJ 45, RS 232, Mic in and USB had not been done by the supplier even up to 18 July 2018.
- (d) The capacity of lecture hall, outside brightness, distance between screen and projectors were not considered when preparing the specifications for this purpose and the recommendation of relevant specialist on such specifications was also not obtained. Further, the Projectors had been used without proper awareness with regard to the special features.

6.1.3 Construction of Building Complex for Faculty of Management and Commerce

The University had awarded contract to construct a Building Complex to the Faculty of Management and Commerce in 2010 at a contract value of Rs.112 million. The following observations are made in this regard.

- (a) According to the contract agreement, the construction works with extended should have been completed on or before 28 February 2014. Although the construction works were completed on 20 April 2014 the liquidated damages amounting to Rs. 2,977,412 had not been recovered from the contractor as per the agreement.
- (b) A sum of Rs. 985,000 had been paid to the contractor for non- adjustable element for preliminary items contrary to the clause 13.7 of condition of the contract agreement.
- (c) According to the contract agreement, the University should pay the consultant fee at a rate of 5.25 per cent on the total contract price excluding Value Added Tax (VAT). However, the University had calculated this fee by using two different rates. As a result, a sum of Rs.413,723 had been over paid to the Consultant.

6.1.4 Construction of Building Complex for Main Library

The University had paid a sum of Rs. 1,510,837 to the contractor for non- adjustable element for preliminary items in the construction of Building Complex for Main Library contrary to the clause 13.7 of condition of the contract agreement. Further, the consultant fee should be paid at a rate of 5.25 per cent on the total contract price excluding Value Added Tax (VAT). However, the University had calculated this fee by using two different rates. As a result, a sum of Rs. 245,415 had been over paid to the Consultant.

6.2 Unresolved Matters Pointed out in Previous Audit Reports

The University had sustained a loss of Rs. 1.73 million due to the negligence of the responsible officers who had delayed for more than six years to take action for recoveries of the bond value for breaching agreement by a lecturer. However, no action had been taken against such officers even up to 08 August 2018.

7. Systems and Controls

Deficiencies observed in systems and controls during the course of audit were brought to the notice of the Vice Chancellor of the University from time to time. Special attention is needed in respect of the following areas of systems and controls.

Areas of System and Control	Observations
(i) Fixed Assets Management	Failure to update the Register of Fixed Assets.
(ii) Management of Self Financing Courses.	Failure to use surplus money properly and existence of accounting deficiencies.
(iii) Control over Agreements and Bonds	Not paying adequate attention to expedite the recoveries.
(iv) Maintenance of Student Attendance Sheet	Due attention is needed in signing the Attendance Sheet by the lecturers and HOD and daily submission of the same.
(v) Personnel Administration	Incurring a very large cost for the service of Visiting Lecturers due to failure in filling the vacancies of the academic staff.
(vi) Stocks Control in Maintenance Store	Un-availability of proper recording and reporting system in the store

19. Observations to the Report of the Auditor General

Auditor General

Auditor General's Department

Colombo.

Report of the Auditor General on the Financial Statements of the South Eastern University of Sri Lanka for the year ended 31 December 2017 in terms of Section 108(1) of the Universities Act, No. 16 of 1978.

This has reference to your report dated 23rd October 2018. We give below our observations for the quires raised in the reports.

2. Financial Statements

2.1 Qualified Opinion

2.2. Comments on Financial Statements

2.2.1 Consolidated Financial Statements

The accounts of the Center for External Degrees and Professional Learning (CEDPL), Postgraduate Unit of the Faculty of Arts and culture and the Postgraduate Unit of Faculty of Management and Commerce had been prepared separately from the University accounts. However, action will be taken to incorporate the accounts of CEDPL and Postgraduate Unit of Faculty of Management and Commerce in the Financial Statements of the University from 2018 onward.

2.2.2 Compliance with Sri Lanka Public Sector Accounting Standards (SLPSAS)

- (a) As stated by the Auditors we have identified few cases filed against and by the University. Action will be taken to disclose the contingent liabilities arising from these cases in the Financial Statements for the year 2018.

- (b) Action will be taken to re-value the furniture and equipment of which the useful economic life time had already lapsed and noted for future compliance.

2.2.3 Accounting Deficiencies

- (a) Action will be taken to amortize the Government grant on a systematic basis over the useful life time of the related asset in terms of the SLPSAS.
- (b) These furniture and equipment had been transferred to the University from HETC project during the year 2016. Therefore, the above assets were depreciated for the years 2016 and 2017. However, the Finance Division had taken appropriate action to obtain the actual date of purchases from the relevant divisions and to calculate the depreciation for the period for which the depreciation was not charged in the Financial Statements - 2018.
- (c) As already elaborated, the articles received under the HETC funded project had not been incorporated to the final accounts as the project unit had not declared the date of purchases of such articles. However, this is noted for future compliance and will be rectified in 2018 accounts.
- (d) Action will be taken to rectify this matter in the Financial Statement for the year 2018.

2.2.4 Accounts Receivable

Academic Staff

The loan balance of Mr.Rafeek's Sum of Rs.96,161 has been recovered from his UPF balance. Action has been already initiated by sending a request to the Attorney General Department to take Legal action against Mr.A.R.M.Imthiyaz to recover the balance amount and other dues.

Non-Academic Staff

Mr.Zahir Hussain has accepted to deduct the dues from his UPF by his letter. The University has forwarded a letter to him requesting his application form to reclaim the UPF balance and other documents on 08th October 2018. A letter has been forwarded to Attorney General in order to institute legal action to recover the dues from Mr.Sathish Kumaran (Mason) on 05th November 2018.

2.2.5 Non - compliance with Laws, Rules and Regulations

The following instances of non-compliance were observed in audit.

Reference to Laws, Rules and Regulations	Non - compliance
-----	-----
(a) Section 8J(1), 8K(2) of the Urban Development Authority Act, No. 41 of 1978 as amended by Act, No. 4 of 1982.	Noted for future Compliance.
(b) Section 16:5:3 of the Chapter VI of the Establishment Code of the University Grants Commission and the Higher Educational Institutions as amended by Circular No. 720 of 17 October 1997.	Physical education division is a very important division that deals directly with students and a responsible person from the Unit should take the responsibility of maintaining the affairs of this unit in order to facilitate sports activities and to prevent or minimize student unrests. Ten per cent of the basic salary of the Director was given to a Physical Education Instructor for covering up of the duties of this post. However, the payment of this had been already stopped according to the

instructions given to the Finance Division. Further, the University will take necessary steps to re-advertise to fill the vacancy for this post. The University has sent a letter to the UGC to clarify the ambiguity in the SOR.

(c) Circular Letters of the
University Grants
Commission.

No. 04/2013 dated 10
April 2013

Even though the Boards of Survey report in respect of Library and Stores for the year 2017 have already been finalized, the Boards of Survey report on General Administration had not been finalized due to non-functioning of the administrative building by recent strikes of staffs and students. However, action will be taken to submit the Boards of Survey report within a month.

(i) No. 10/2017 dated
10 July 2017

As a common practice, the arrival and departure of academic staff are not maintained in the public University system in Sri Lanka. Further, the University system is facing challenges in implementing this system to the academic staffs even though this matter is continuously raised by the audit queries.

- (ii) No. 03/1996 dated 06 February 1996
- The age limit does not apply to the employees in the Government Departments, State Corporations and Statutory Bodies. Therefore, the upper age limit is not applicable to the administrative posts. Upper age limit was mentioned in the above advertisement of the university mistakenly for both administrative and non-academic posts that were advertised in the same advertisement (upper age limit is applicable to non-academic posts).
- Based on the said advertisement, recruitments for some non-academic posts were made. However, in the future this will be noted and rectified.
- (d) Public Finance Circular No.03/2015 dated 14 July 2015
- These advances were given mainly for council meetings, study tours, field visits, annual research sessions & symposium, etc. Follow up actions were taken and are settled within the stipulated time. All the staff advances already limited to Rs.100,000 in future.
- (e) Treasury Circular No. IAI/2002/02 dated 28 November 2002.
- Finance Division maintains Fixed Assets Register on a computerized system along with the details such as date of purchases, value of the fixed assets, depreciation charges and net book value of all the fixed assets including the details of the computers and accessories for the preparation of the

Financial Statements. In addition to this, steps have been taken to prepare a separate Fixed Asset Register for computers and accessories according to the Circular.

3. Financial Review

3.1 Financial Results

Noted

4. Operating Review

4.1 Performance

4.1.1 Achievement of Targets

- (a) Our strategic plan 2014-2018 contained certain qualitative indicators reporting of which requires a survey of perceptions of stakeholders. We plan to conduct that survey in December which might possibly provide the data on such KPIs unreported. It is also stated that the University has taken action to address this problem from recurring in future by including more realistic and measurable indicators in the forthcoming strategic plan of 2019 to 2023

- (b) Though in certain areas in strategic plan 2014-2018, we observe that the University had reported less progress as compared to the target it envisioned to accomplish, it is noteworthy that the University has made outstanding progress in certain cardinal areas of Strategic Plan like research and publication. For example, Total Number of Research articles published (Annual target) in the year 2017 was nearly 300 though our target in the said period was only 180.

Importantly, the Average cumulative percentage of growth in Student Enrolment as compared to based year is 68% though we envisioned, as per our strategic plan 2014-2018, to grow only by 30% by the year 2017. That is, we accommodated and served a student population which is 120% greater than our expectation. This over expansion of student population was accommodated by the University in national interest as our commitment to support to the government policy to increase access to higher education. This over expansion in terms of the students' growth amidst the unparallel increase in budget provision and resulting issues might be attributed to less performance on certain other indicators in the Strategic Plan 2014-2018. It is yet noted that the University has conducted a comprehensive consultative and participatory session with all Managerial Staff and Council Members of the University at Strategic Planning workshop recently organized by the University and identified the issues to be addressed and the main areas to be focused in the Strategic Plan of the University in the next time horizon 2019 to 2023.

- (c) Webometric ranking of Universities generally fluctuates over time. Though the University's current ranking is less as compared to what we expected reach by the end of the reporting period, University has achieved significant progress as compared to the base line year of the present Strategic Plan. This fluctuation or decline may also be attributed to changes in the evaluation criteria and weights thereof being used by the organization operating this scheme ranking. However, the University has made some reform to achieve the desired target on Webometric ranking through introduction of Learning Management Systems for each faculty, reformation of e-repository of the University and constitution of ICT advisory board formed for the purposes inter alia of continuous monitoring of University website and its impact on Webometric ranking.

As the rankings such as Webometrics and QS are providing a numbered league table and these rankings are not comparable due to many shortcomings in those. Therefore, University Grants Commission is in the process of introducing a localized ranking system.

4.1.2 Degree Courses

- (a) and (b) The University has no control over the number of students enrolled as the UGC sends the list of students to the University based on Z-score and as the applications received from the students.

4.2 Operating Inefficiencies

(a) Conducting Lectures at the Department of Islamic Studies

- (i) Department of Islamic Studies maintains weekly Student Attendance sheet on which only one signatory sets the signature, while three hours of lectures are conducted by different lecturers in many cases. Most of the time, the signatory will be the third lecturer who conducts tutorials. Temporary Assistant Lecturers are conducting lectures under the supervision and guidance of a Senior Lecturer. Now, this shortcoming of maintaining attendance records are rectified and an updated system will be adopted and maintained. Each lecturer who is conducting the lectures are now instructed to sign the attendance sheets after their lecture hour(s) is/are completed. Action is being taken to allocate more lecture hours to Senior Lecturers. When a temporary assistant lecturer or a visiting lecturer is allocated lectures due to the shortage of staff or due to non-availability of expertise in that subject area, a Senior Lecturer or a Permanent Lecturer is appointed as the Lecturer-in-Charge for the purpose of coordination of

the lecture schedules and conducting confidential examination related works. In such instances, the Lecturer-in-Charge will not engage in any lectures.

- (ii) The duty of Temporary Assistant Lecturers is not only to take lectures / practical classes, but also to conduct tutorial classes, correct reports, assignments etc. These tasks are also considered as part of their duties. The University will rectify the shortcoming in the appointment letter together with introduction of a proper system of monitoring in future.

(b) Commencement of External Degree Programme

- (i) The degree programme was commenced in September 2018.
- (ii) Approval of the Finance Committee was obtained on 03.11.2018. And consequently council approval was obtained.

(c) Releasing Results of the Examinations of External Degree Programmes

The delayed results of the external degree programme were released in September 2018. and action has been taken to release the results within a 3 month period after the examination is done. A decision is already made by the University not to pay for marking if the results are released after three months. Further, the Committee had decided to implement the panel marking in future in order to expedite the marking of papers and to release the results within the stipulated 3 months time.

(d) Establishment of Laboratory for the Faculty of Applied Sciences

This building is being used for routine practical classes of earth science laboratory and as examination hall for the Faculty of Science. Further, necessary action had been taken to obtain laboratory equipment to improve the laboratory system of the Science Faculty. With the laboratory furniture and equipment which are already ordered, the usage of this building could be further enhanced.

(e) Working Capital Management

A sum of Rs. 37 million had been invested in a fixed deposit on 1st November 2018 for a period of 03 months in order to earn income to the University out of this investment.

4.4 Transactions of Contentious Nature

Action had already been taken to stop the payment of salary to this lecturer since September 2018. Further, action will also be taken by the University to forward this matter to a Medical Board for its recommendations.

4.3 Idle and Under-utilized Assets

- (a) The use of finger print machines to record students' attendance was not successful due to many practical difficulties. Therefore, these machines could not be used continuously for the intended purpose. But these machines are now allocated for other purposes. One fingerprint machine had been handed over to the use of the Library, one is used for master finger (recording) and two are fixed at the administration building and the remaining machine is reserved for the replacement purpose (as a backup machine).

- (b) **Mismatch Tyres** : Action will be taken to surcharge for mismatch tyres from the persons who originated the PRN.

Idle Tyres: Action has been taken to fix the people who were responsible in purchasing unnecessary number of tyres.

- (c) 50% of the stock utilized for the intended purpose, the balance will be utilized in future. Action will be taken to fix the person who has originated the PRN to purchase unnecessary amounts of Paints.

4.4 Management Weaknesses

A Stock Register is maintained by the Store keeper and actions are being taken to update the Stock Register into a computer based system. The responsible officer will be strictly advised to maintain the Stock Register identifying the shortcomings, if any. Some of the items which are idling in the stores will be issued to the mechanical engineering workshop and laboratories for the use in their practical classes.

4.5 Human Resources Management

- (a) Action is being instituted to fill the vacancies. We have already advertised for some posts and some interviews were completed very recently. In some cases, even though we have advertised to fill the vacancies, the responses we received from the applicants were not satisfactory due to lack of qualified professionals (i.e. in filling Chair Professor Vacancies etc.).
- (b) Even though we have advertised several times to fill the vacancy, the responses received were not satisfactory due to lack of qualified professionals available in the relevant field. In addition, an ambiguity in the SOR prevented the filling of this vacancy. Hence,

we have written to UGC to get a clarification on the SOR so that we will be able to re-advertise the vacancy to fill it.

5. Achievement of Sustainable Development Goals (SDG)

- (a) The Sustainable Development Agenda is a recent development. University has taken action to include “Sustainability” as a separate goal in our forthcoming Strategic Plan 2019-2023 addressing the present shortcoming. The new strategic plan will pave the way to achieve some targets in relation to the SDGs.

- (b) University has noted the observation made in 5(b) and due consideration shall be paid on cadre revision and staff development activities in the future.

6. Accountability and Good Governance

6.1 Procurement and Contract Process

6.1.1 Procurements Plan

One of the main reason for highlighted issue was that the Treasury Department had released the cash during the month of December 2017. Therefore, the number of payments were to be made out of this cash. However, to overcome these deficiencies and the issues highlighted in this report and to maximize the efficiency of the procurement processes, all the departments/sections/divisions of the University are advised to prepare their divisional procurement plan/requirement aligning to the action plan 2019.

6.1.2 Procurement of Multimedia Projectors

- (a) The 28 Multimedia Projectors referred in the audit query were purchased by inviting quotations of Supply of Multimedia

projectors. This procurement was only to supply the multimedia projectors but did not include installation and commissioning. We received the Multimedia Projector from the supplier at Rs. 69,500.00 each. SRNs were received from user departments and delivered to the requested departments.

- (b) The five multimedia projectors out of six mentioned in the audit query are used for lectures by the user department on potable basis. The other multimedia projector issued to the career guidance unit could not be used since the CGU was to be relocated to a new place. Therefore, decision has been taken to issue the multimedia projector to another department which has already requested the multimedia projector.

The other 10 multimedia projectors mentioned in the audit query are a part of 28 multimedia projectors mentioned in the query (a). These multimedia projectors were also supplied without installation work as it was requested.

However, as per requests of some user departments, bids were invited for installation work of some of the multimedia projectors available in the university including some of these multimedia projectors. Purchase order was already issued to the selected supplier. The installation work is going on and are to be completed by the end of November 2018. Further, we must mention that there is no additional cost incurred inviting bids only for installation work for multimedia projector separately when compared to the cost that would be incurred in supplying and installation of same multimedia projector.

- (c) According to the tender, the bidder has installed the multimedia projectors with VGA cable, power supply cable including Wifi dongle which can give all the services what can be obtained from

HDMI, Audio in, Audio Out, RJ 45, RS 232, Mic in. The USB mentioned in the query is a port.

- (d) Supplies division after discussing with the user departments had processed the procurement for multimedia projector with necessary specifications since the user departments required only basic type of multimedia projectors. Therefore, the University recently has established an IT committee with the objective of obtaining the advise and services for IT related matters. Therefore, the University will process all the requests related to IT related procurements with the advise and guidance of this committee which will minimize most of the shortcomings highlighted.

6.1.3 Construction of Building Complex for Faculty of Management and Commerce

- (a) Approval of the council had been obtained for the time extension.
- (b) It had been paid based on the recommendation of the consultant.
- (c) Payments to consultants were made as per the agreement.

6.1.4 Construction of Building Complex for Main Library

It has been paid based on the recommendation of the consultant and payments to consultants were made as per the agreement.

6.2 Unresolved Matters Pointed out in Previous Audit Reports

This matters was reported to the council. Based on the decision of the council the recommendation of the sub Committee, a letter has been dispatched to the UGC to get clarifications.

7. Systems and Controls

Areas of System and Control	Observations
(i) Fixed Assets Management	Noted for future compliance, action were taken to rectify these deficiencies mentioned in the report
(ii) Management of Self Financing Courses	Rectified
(iii) Control over Agreements and Bonds	Action had been taken and noted for future compliance
(iv) Maintenance of Student Attendance Sheet	Action had been taken to maintain conducted lecture records appropriately by the respective departments.
(v) Personnel Administration	Action has been taken to limit the services of visiting lecturers. Filling of vacancies are also being processed.
(vi) Stocks Control in Maintenance Store	The store will be amalgamated to the main stores and all the transactions will be done by computerized system.
